

# Annual Membership

The South West District for Culture, Recreation and Sport is a volunteer organization dedicated to promoting healthy communities and advancing culture, recreation and sport within the boundaries of the South West District.

The South West District for Culture, Recreation & Sport (SWDCRS) was formed from the amalgamation of the Badlands Recreation Association, the South Central Recreation & Parks Association, the South West Recreation Association and the Zone 3 Sport Council.

Our VISION is to have residents of South West Saskatchewan recognize and value the benefits of culture, recreation and sport, through participation, understanding and involvement.

In order to make our VISION a reality we need your support. We encourage your community or organization to become a member of the SWDCRS and take an active role in the development of culture, recreation and sport services within our District.
